

Mike Couture, CEO OASYS Technology, Co-Chairs SPIE Session

April 21, 2006 – Mike Couture served as co-chair of the **Infrared Optics and Applications** Session (Session #6206) in the Infrared Technology and Applications XXXII Conference at the SPIE Defense and Security Symposium. The symposium was held at the Gaylord Palms Resort and Convention Center in Orlando, FL on 17-21 April, 2006. Mr. Couture has co-chaired this conference for four consecutive years and has been responsible for soliciting new papers as well as review of all submitted papers for technical content. He has authored and presented several papers in this conference.
